DETAILED ACTION

Response to Amendment

1. Applicant's amendment filed on September 8, 2006 has been entered. Claims 1, 2 and 6 have been amended. Claims 25 and 26 have been cancelled. No claim has been added. Claims 1-9, 21-24, 26, 27, 29 and 30 are still pending in this application, with claims 1, 6 and 22 being independent.

Allowable Subject Matter

2. Claims 1-9, 21-24, 26, 27, 29 and 30 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Applicant teaches a housing for emergency illumination units, such housing including at least one concavity, with each concavity having first and second openings; a larger opening configured to receive a fixed optical assembly, and a smaller opening spaced apart from the larger opening, such smaller opening being configured to received a movable optical assembly. In a second embodiment, the first and second openings are located opposed one another along the outer periphery of the concavity. In a third embodiment, the front and back portions of the housing include a projecting slope, receiver arrangement for transferring weight from the front portion to the back portion.

No prior art was found teaching individually, or suggesting in combination, all of the features of the applicants' invention, specifically the size and/or spatial relationship

between the fixed optical assembly opening and the movable optical assembly opening, or the front/back portion weight transferring structures, in combination with the recited structural limitations of the claimed housing.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
